2) The Municipal Council having considered the penal conditions prescribed under Sec 181 (2) of the Nyasaland Municipalities Act to be appropriate in this context has decided on 23 11 49 to amend it to Sec 181 (4) in the Said Bye laws

3) Sec 181 (2) of the Act provides for punishment either after the issue of a notice any place is used in a manner as to be a nuisance to the neighbourhood or contravention of such notice But the penalty prescribed in the Bye laws is excluded to punish anything done or caused to be done in violation of the clauses contained in the Bye laws Therefore it may be appropriate to invoke the provisions of Section 181(2) in this Context Violation of the Bye-law is therefore correctly punishable only under Sec 181 (4) of the Act as Suggested by

of a decision None of these provisions seems to have any bearing in respect of offences caused by a breach of any of these bye-laws under section 51(1)(b) of the Act, a municipal council is vested with power to prescribe a fine not exceeding Rs 500 for an infringement of the Bye-Laws

It may also be stated that the appropriate place for a penal clause providing punishment for the breach of the Bye-Laws is in the body of the Bye Laws itself, generally at the end as the last bye-law In this view it is now suggested that the existing condition 4 may be incorporated as bye-law 18 and it may be recast as follows :-

"Any infringement of these

Further, it may also be mentioned that amendments which are necessary have to issue under the same provisions (Section 510)(4) III read with section 181), as those of the original Bye-laws

Amending Clause 4 of the penal Conditions of the Bye-laws relating to dangerous and offensive trades

24) It is seen on reference to the provisions of the Act that the amendment proposed by the Municipal Corporation is in accordance with the law But the Municipal Corporation have not provided any punishment for continued offence, which the Act provides

Rule with Reg to para 22 supra

25) The Municipal Commissioner has proposed to amend the bye-laws in such a way that a person who violates any of the conditions of the License shall be punished with a fine upto Rs 50/- But section 181 (4) of the Act clearly lays down that when a person uses any place without a license or during suspension or withdrawal of a license, for any purpose mentioned in sub-section (1), he shall be punished with fine which may extend to Rs 50/-

26) This distinction between the proposal made by the Commissioner to amend the bye-law and section 181(4) is this The mere violation of any condition of the license is proposed to be made punisahble with fine But the Municipal Commissioner can deal with such persons by cancelling ~~xxxxx~~ or suspending or withdrawing their licenses in the first instance and this will be sufficient to meet the situation If in spite of cancellation or suspension or withdrawal of the license, the party continues to carry on the profession, then his action will attract the provision of 181(4) of the Act Therefore there is no need to amend the byelaw This will be

Sir,

Subject - Amending clause 4 of the Penal Conditions of the Bye-laws relating to the Dangerous and Offensive - Trade in Davangere City Municipality

Adverting to G O No L 2113/C M 5-49-2 dated 19th August 1949 according sanction to the bye-laws framed by the Davangere City - Municipal Council for regulating the Dangerous and Offensive - Trades etc , I have the honour to state that in para 4 of the - penal conditions stipulated, it is stated that any breach of rules or bye-laws will entail the suspension or withdrawal of the license and the prosecution of the offender under section 181 (2) of the Mysore City Municipalities Act VII of 1933

As section 18 1 (2) cannot be applied for- ~~under~~ the penal conditions, the question of suitably amending clause 4 of the penal conditions to be in conformity with section 181 (4) of the said City Municipalities Act was considered by the Municipal - Council at its meeting held on 23-11-49 and it was resolved that section 181 (4) be inserted by deleting section 181 (2) in the sanctioned bye-laws

Objections if any in this behalf were invited from the public, giving one month's notice and this was duly notified in part III 3 page 149 of the Mysore Gazette dated 6th July 1950

As no objections were received within the prescribed time - limit the Municipal Council at its meeting held on 23-8-1950, resolved that sanction of Government be obtained to the amendments proposed Copies of the resolutions are enclosed herein for - favour of reference

With Reference to your letter No H C 40/50 S1 dated 1.9.1950 on the above subject I am directed to state that the powers conferred by both Sub sections (3) and (4) of Sec 181 of the Mysore City Municipalities Act 1933 seems to have no bearing on offences committed by a breach of any of these bye laws the power to be vested under on the municipal Council See S1 (1) (b) of the Act

Examined by Hadf

The ~~appropriate place for a~~ penal Clauses should appropriately come in the Codes of the Bye laws and not Separately as Courts are

attached to the issue of licences
as at present existing

I am therefore to suggest
that the existing Condition 4
may be omitted from the bye-laws
and the same being recast as
follows -

Any infringement of these
bye laws or of any of the Conditions
attached to a licence granted under
these bye-laws, shall be punishable
with a fine which may extend to
Rs 50"

If this amendment is made,
the existing bye laws to be
renumbered as bye-laws 12

Any amendment which the municipal
Council may consider necessary on this
Connection will have to issue under
the same provisions as those of the original
bye-laws viz Sec 51 (1) (b) III read
with Sec 181 of the Mysore City Municipalities Act 1933.

The municipal Council may, to be requested to Consider
the amendment in the light of the above
observations and furnish its further
views in the matter
